**An Ansata Sheikh Halim son just for you!**

**\$ 5,000**

### Description

Here is your opportunity to own a son by the renowned stallion, Ansata Sheikh Halim (now in Kuwait). Amir is a wonderful youngster, who has been under saddle for a year. He worked with renowned Arabian Working Cow trainer Andy Camacho and is comfortable working around cattle, and has been out on trail with them. He stands in cross ties quietly, loads without issue into stocks and trailer, and is good with the farrier and vets (no issues with shots, worming, blanket, fly mask, or being handled in general). He's even been taught to pony with an ATV up and down steep hills! He's currently in Grass Valley working with Anrea Fraire getting more finishing, such as jumping, flying lead changes, half-pass, pivoting, neck reining, and cow sorting. Straight from the breeder to you. He's ready for your barn! Looking for his forever home and owner. Just a really sweet boy who loves humans and those horse treats! He's ready to learn with you, and become your best buddy ever!
